

Australian Institute of Management

Member Mentor Program

The Australian Institute of Management is coordinating a six month Mentoring Program for Professional Members by Professional Members.

Members are able to nominate to be either a Mentor or Mentee. Members wishing to become a Mentee must have held Professional Member status (AIMM, AFAIM, FAIM) for a year prior to applying for the programme. Mentors are eligible immediately.

Mentoring offers an opportunity for Members to build their skills toward future goals and is an effective method for the transference and sharing of knowledge in management and leadership experience.

The program enables Professional Members to join together to offer and share their support and experience with others. It can be an effective strategy which will contribute significantly to personal and career development.
